

PALATINE ENTERPRISE

VOLUME 46, NUMBER 13

PALATINE, COOK COUNTY, ILLINOIS, FRIDAY, MARCH 28, 1924

TERMS: \$2.50 A YEAR CASH IN ADVANCE

WOODDALE

Misses Ruchr and Mrs. Israel and son, Albert, spent Sunday in the city. Mrs. Klein and little daughter, Geraldine, visited Chicago relatives last week.

Genevieve La Buy visited her grandmother over the week end.

Dr. George Taylor and son, Elliott, visited Wooddale March 16. Mrs. Taylor also visited on Saturday.

Mr. S. J. Owens will give a five minute talk about Denver at the Kiwanis Club Thursday. The speech will be broadcasted sometime between 12:30 and 1:15 P. M.

Messrs. Kroeger and Ziegler surely deserve much praise for their interest in their little sons. Mothers usually are the ones to see that children attend school, parties, etc. While practicing for the school play both fathers brought their little four year old sons to the school to take part in the performance.

Several guests from nearby towns attended the last entertainment at Wooddale.

The school board, Messrs. Martin, Eickelmann, and Broker, had several substantial large benches made for tables downstairs and for extra seats for community gatherings.

Report says two new houses are to be built soon.

Mr. George Finke is preparing an Easter Program for the Sunday School. All children are anxious to take part in it.

Sunday evening was the event of a pleasant surprise when about 34 young people gathered at the home of Otto Heuer in honor of Edwin, who has passed his 18th milestone. The evening was spent in playing buncos and other games which were immensely enjoyed by everyone. After partaking of an elaborate lunch the gathering adjourned, wishing Edwin many happy returns of the day. Among the many pretty presents received was a brand new radio set.

Otto Bleich is going to try spraying trees now. He has hired out as Albert Heuer's partner. Break him in good, Al.

Barney Broker has a new Moline tractor. Wait till the fields are dried off, then watch the ground turn over.

Advice to Young Men.

"A person who cannot succeed without being in a herd ought to organize his own herd. My advice to a young man is to learn to pitch in and fight his battles single-handed. Sheep and goats run in droves, but lions and tigers do not."—E. W. Howe.

ROSELLE

Mrs. Julius Abel entertained the 500 club Wednesday afternoon.

Members of the Buncos and 500 Clubs helped Mrs. Wm. Eberling celebrate her birthday at the home of Mrs. Burton Smith Friday afternoon.

Mrs. Wm. Roloff entertained the Pinochle club Saturday evening.

Township election day coming on Tuesday, April 1. Some of the candidates are liable to get fooled.

Both of the early trains broke down Tuesday morning at Meacham. Many Chicago commuters did not get to their destinations until after 10 o'clock.

Mrs. Walter Hattendorf held the lucky number for the T. E. C. club quilt.

Mrs. Laura Isen entertained several friends at a birthday party at the home of W. Gronemeier.

Trinity Ladies Aid Society will meet with Mrs. Henry Hattendorf Wednesday afternoon.

The third voting precinct in the township election of Bloomingdale, located at Roselle, will be opened for the first time next Tuesday.

The boundary lines for this new precinct will include section 1, 2, 3, the last half of section 4, and the north half of sections 10, 11, 12.

Several students from Roselle attending the Elgin high school, were invited to attend the matinee performance at the Rialto theater, Monday afternoon, together with the Freshmen Juniors and Sophomores, in honor of the high school basketball team winning the championship against Athens, 27 to 18, at the University of Illinois, Saturday evening.

Roselle Farmers Lumber Co., was incorporated Tuesday to deal in lumber and other materials with a capital stock of \$20,000. The incorporators are Fred Hartman, Henry J. Mensching and Herman Wille.

Roselle, with its new store buildings, and water and sewer on the way, in its suburban development, enough to be alert and interested, it is believed by its fast growing group of progressive citizens, in all the matters of citizenship, as its part in DuPage county life. So, entirely apart from partisanship, but in line with gatherings in the rest of the county, an Open Forum on Citizenship, and a Get-together of Home People is planned to take place in Roselle on the evening of Wednesday, April 2, 1924.

The Ladies Aid of the Methodist church will give one of their famous mass oyster suppers for towns-people and visitors at the church, where there will be visiting and greetings. The Citizenship Talks will follow at the School House, just opposite the church.

A live, rapid fire talker who will make the chief address on Topics of the Day, including women's part in politics, is promised in the person of Miss Bennett or Miss Bailey of Chicago, either of whom can entertain an audience immensely. Mrs. Hatti Glos, of Wayne, is expected to preside at the talkfest. An interesting feature of the evening will be short talks by all candidates for office in the county and legislative and congressional districts and in Bloomingdale Township. Each candidate will be specially invited to matter on what ticket he is running, and is expected there will be a great gathering of folks now centering the voter's attention and their friends. Each can speak his piece and do all the handshaking and getting acquainted desired.

It is expected there will be a great turnout to listen to Congressman Frank Reid and his opponents Edwin Diecke, Mr. Anderson and others, and Lottie Holman O'Neill and other candidates for State Representatives, "Bob" Scott and Chauncey Reed, and all the bunch on the long Bloomingdale Township ticket.

A fast Chicago, Milwaukee & St. Paul train to the city at ten o'clock will be ordered stopped at Roselle to take on visitors who can thus return to the city and their scattered homes early.

HERMAN KASTING

Alvin Kasting, eldest son of Mr. and Mrs. Herman Kasting, died Thursday, March 13. He had the flu on the stomach and intestines, then pneumonia followed. He was unconscious at the last and died at 7:30 A. M. at the age of 5 yrs., 11 mos., 3 days. Funeral services were held Sunday at Itasca Lutheran church. He leaves to mourn, his father, mother, one brother, two grand-children, uncles, aunts, cousins and many other relatives. The remembrance and face of our dear Alvin shall never be forgotten.

CARD OF THANKS

We wish to express our thanks to our neighbors and friends for their kindness and for floral offerings and sympathy during our bereavement of our dear son, Alvin.

Mr. and Mrs. Herman Kasting.

ITASCA

Mrs. Wm. Mahler entertained friends Tuesday in honor of her birthday.

Mrs. Frank Hoffman had a quilting party Monday.

Mrs. Aug. Forke entertained the cincth club Saturday night.

Mrs. Edwin Kolze had a quilting party Friday.

Wm. Mahler is building a new chicken house for the new chicks.

Jerome Kane celebrated his 4th birthday Sunday.

The Elbert family spent Sunday at the Schaper home.

Mr. Wm. Mahler, Sr., expects to leave for Arkansas Wednesday to look over his farms.

Mr. and Mrs. Gorell spent Sunday at Mahler's.

Miss Enright, of Chicago, spent Saturday and Sunday at Kane's.

Mrs. Mahler was a Chicago visitor Friday.

Mrs. Franzen of Bensenville, spent Friday in Itasca.

Use the little black mail box for news! Thank you!

English Lenten service at St. Luke's church March 30, at 7:30.

Mrs. Harold Koenig and son Eldrid, were Chicago visitors Monday.

Edmund Droegemueller is enjoying a ten days vacation after receiving a B. S. degree at Chicago University.

The convocation exercises took place March 18 at Mandell Hall.

Adolph and Rudolph Zersen are recovering from a few days' illness.

Mrs. Frederich's son, Arthur Workman is seriously ill in a Chicago hospital. His brother has come from Springfield to be with him.

The regular camp fire meeting will be held April 1st at Mrs. Krueger's home.

Mrs. Baruth, Adaline and Mrs. Canley spent Tuesday in Chicago.

The Bretman family attended a party at the Heinrichs farm Saturday evening.

Mrs. Knight, of Aurora, visited the Lawrence last week.

The Luehrings entertained friends last week.

Mr. and Mrs. Eric Ericson and children spent Sunday in Chicago.

The Yu Kuo club held their regular meeting Thursday at the Chessman home. The occasion also celebrated the birthday of Mrs. Stanley Chessman who was showered with many things for use in the new home which will be built this spring.

Dorcas held their regular meeting Thursday. Miss Fink and Mrs. Fenstermaker served.

Mrs. Lake was called to Chicago Tuesday by the serious illness of her father, Mr. Galloway, who was stricken with apoplexy.

Mr. and Mrs. Grant Chessman, Jr., of Pullman, announce the birth of a daughter Saturday.

Word was recently received that Alvin Wilke is recovering very slowly from the serious accident when he lost two fingers, crushed in farm machinery. It was feared for some time that the whole hand would be lost. Mrs. Wilke was formerly Frances Slanker of Itasca.

About 50 children attended the special story hour at the Village Hall Friday. Mrs. Eggen and Miss Ellsworth of Bensenville kindly gave their services as an extra treat for the children and their efforts were surely appreciated. One small boy was heard to say after it was over, "Gee, but that lady knew some swell stories." Several of the mothers were present to enjoy the fun.

Friday evening, the boys of the S. S. of the Presbyterian church will be hosts at the monthly party.

Dates to Remember

March 31, special election.

April 1, P. T. A., 3 P. M. at public school.

April 15, Village election.

Thursday, March 29 was "Ten Cent Evening" at the public school. Only a fair crowd turned out to see the rather splendid program, for spring arrived that afternoon, so the calendar told us, in a small sized blizzard. Many people who ordinarily attend, stayed home. Miss Bartlett's room gave the entire program except the final number. The children certainly were well trained and sang, exercised and dramatized equally well.

Group songs, "Hail to the Flag," "Barefoot Boy," "Snow."

Calisthenics, drills directed by graphophone records.

Recitation, "The Little Brockmeier."

Group song, "Geography."

Health Play, "Slim Jim Goes to the Picnic." And Slim Jim has quite a serious time deciding which way to go when the Pie Man tempts him with pies and sweets; and when Vera Vitamine and her sisters coax him with wholesome vegetables. But when Mary with a crystal water join their pleas to Vera Vitamine's, the pressure is too great and Slim Jim goes to the picnic of Good Health and we all know of course that Slim Jim grew fat and husky.

Mrs. Moser's little son and daughter won the hearts of all present when they appeared in full Dutch costume and sang and danced. The applause which greeted them was well deserved. It is hoped that the program will be repeated in the near future.

IN MEMORIAM

In fond and sweet remembrance of our darling Olga who left us for the happy land just one year ago today, March 30, 1923.

In a grave yard softly sleeping,
Where the flowers gently wave,
Lies the one we loved so dearly,
In her lonely silent grave.
The flowers we lay upon you
May wither and decay,
But the love we bore for you dear Olga,
Shall never fade away.

From Lonesome Parents,
Sister and Brother; Mr.
and Mrs. C. W. Newman,
Edna and Ivan.

BENSENVILLE

Last November a piece of the drill used for digging the well which was to supply the town with water was lost a few hundred feet below the surface. Since that time, more than three months, a long drawn out search has been made for the offending tool and as yet neither drill nor water has made an appearance.

Excavations have been begun for the residence of Mr. and Mrs. Baedle of Chicago who are building a bungalow in that picturesque orchard, corner of Green and Center streets.

James Freeman's sister, Louise, has been a guest at the Freeman home a few days.

Mildred Duntman spent the week end with friends at the University of Illinois.

Mrs. Frank Ahrens has been called away by the severe illness of her niece at West Chicago.

Many of "Chuck" Franzen's friends have been fooled recently since the appearance of his cousin from the north, who so closely resembles Chuck that they might be mistaken for an over-mischievous boy caused considerable excitement in town last Sunday morning when it was discovered that Kummerau house on South Addison Street, had been broken into and ransacked. Anxious neighbors conducted a thorough search, as the owners, Mr. and Mrs. Kummerau are spending the winter in California, and discovered the culprit hiding in the attic.

There must be some means in a town of this size to furnish activities for the smaller boy which will prevent his searching for adventure in a way which is detrimental to himself and to the others who are the victims of this ceaseless, boyish quest for "fun."

Friends of Mr. and Mrs. C. A. Franzen will regret to hear that during their sojourn in California Mrs. Franzen has been ill and forced to remain indoors at her daughter, Ida's home.

As soon as winter breaks, so say the sages of the village, Bensenville will be launched on a building boom which has never been equaled in its past history. Buildings will be erected on practically all of the vacant lots scattered throughout the town and the William Franzen farm, on the south edge, will be subdivided and lots sold early in the spring.

A special meeting of the Parent-Teachers Association was held at the school auditorium, Monday evening, for the discussion of the proposed new township high school.

The Pilgrim and Eickelmann children are quarantined for chicken-pox.

Miss Florence Imnell and Olive Johnson attended a dinner at the Hamilton Club, Chicago, Monday evening.

Miss Phyllis Ellsworth was called to Springfield over the week-end because of the serious illness of her cousin.

Two of our teachers, Miss Eggen and Miss Ellsworth, were shining lights at Itasca's Story Hour, Friday afternoon.

The attraction at the Bensenville theater, Saturday evening, March 29, will be an up-to-the-minute comedy, "Modern Matrimony," starring Owen Moore and Alice Lake at the job of newlyweds, buying a cute little comboard bungalow in Swampus Manor from the Swamps Realty Co., take on a van load of furniture from the Cheerful Credit Co., and start house-keeping without paying out a nickel. Then their troubles begin. Also a good Century comedy.

Five of the pupils of Dist. 77 belonging to the Achievement Club, visited the Art Institute, March 21. Among those were Florence and Hattie Piske, Esther Finke, Evelyn Duntman, Rudolph Lahn and their teacher, Miss Stella G. Preble. Mrs. B. H. Finke also went along. They had a fine time and the afternoon they attended the Chicago theater and came home on the train at 5:45.

District 77 has 17 pupils in the Spelling Contest.

Mr. Paul Pomplum and family visited at Paul's Sunday.

Miss Madison, from southern Illinois, spent the week end in Bensenville as the guest of Miss Currie.

Pat Freely is taking two weeks engineering courses in Milwaukee.

Arthur Pierson is another radio fan. Mrs. Jessie Capoot and Miss M. Currie attended P. T. A. at Austin High School, Friday evening.

Mrs. Doctor Taylor, formerly of Wooddale, was a Bensenville visitor Saturday in the interest of the orphan home.

Mrs. Albert Raack and family attended a baby christening in Hinsdale Sunday.

Mr. Irving Geils of Mason St., entertained Mr. and Mrs. Ed. Kahle and Mr. and Mrs. Alvin Kuehn, of Roselle, at a 6 o'clock dinner, Sunday evening.

Wm. Stock and family attended the play in Wooddale Friday evening, and reported a fine time.

If we were to get rid of those unsightly old barns it would be quite an improvement to Addison St.

Oscar Franzen and wife gave a welcome party on Mr. and Mrs. Eugene Franzen, Friday evening.

Mrs. Anna Swanson celebrated her birthday, March 22, by entertaining Chicago friends at a 6 o'clock dinner.

Miss P. Ellsworth was called to Springfield, over the week-end by the serious illness of a relative.

FRIEDENS CHURCH NOTES

The Sunday School rooms are being remodeled. Sunday School will probably be held in the church auditorium for the present.

The Rev. H. Wagner administered Holy Baptism to the child of Mr. and Mrs. Wiepert, Sunday, March 23rd.

The Adult Bible Class received two new members Sunday morning, Mrs. H. Wagner and Mrs. H. Geils.

Do not fail to join this class. You are not too old. The class is open to all men and women who wish to learn more of that "Great Teacher."

Those in attendance at the church services last Sunday morning were indeed glad and elated when at the close of the service the Rev. H. Wagner announced that he had received a letter of thanks from the congregation in Germany to which Friedens Congregation had sent a large box of clothing and several sums of money. It might be of interest to say, that the pastor of that German congregation was really overjoyed at the kindness of his American friends.

When the enormous box arrived it was made known to the entire hamlet by means of the Village-Crier. Those of you who came from Germany will well remember that whenever something of importance took place in Germany, the town-crier would stand at the street corner and call together the villagers and make known to them the important news.

This little instance speaks for itself of the joy that our gifts must have brought them.

Sunday evening the church services were made very interesting and inspiring by having the Odd Fellows there.

The center of the church auditorium was reserved for them and it was indeed inspiring to see them file into the church wearing their beautiful cintrures of office.

The Rev. Wagner spoke on the words, "If God so loveth us, we should love one another." His sermon was brief, interesting and uplifting. Miss Feil added much to making the services beautiful by her wonderful vocal solos.

The collection of the services was exceedingly larger than was expected. It amounted to over \$30.00. This money is to go to the "New Eden."

Sunday, March 20th the morning worship at 10:30 will be in German.

Sunday evening the church services will be in English.

X. P. L. meet April 6th. The League war is still on. Captain Geils made an attack at the last meeting which brought her army to the front. Her Blues are now leading the race.

Every visitor to the meetings counts a point. If a girl asks you to come you count for the Blues if a Boy asks you, you count for the Grays.

The score is 8 to 6 in favor of the Blues.

A TOWNSHIP HIGH SCHOOL

The people of Bensenville and surrounding community are again called upon to express themselves regarding a Township High School. The territory has been organized, the petitions filed and the notices posted.

The action of the people should be determined by the benefits to the greatest number. It seems almost improbable that people of this section of DuPage County could act unfavorably toward the proposed high school, if they can but realize that the children of this section are failing to receive the opportunities for high school education equal to those of other communities. A very small percentage of children from northeast DuPage county, who finish the elementary school, enter high school.

Smaller by far than the numbers in similar communities throughout the state of Illinois. To what is this fact due? Our answer is that no provisions have been made for their welfare in this section. Are own children, to enter the struggle of life to compete with those of other places, handicapped for lack of an education, because we, their parents, fail to do our duty toward them? After all, is it not the purpose of life to advance civilization by giving our children the right to a better education? We cannot always reduce our argument to dollars and cents. We cannot always afford to measure with the yard stick of money.

However, since our public school system must be financed by taxation we can do no better than to compare ourselves in extent of territory with other high school districts of DuPage county. If the proposition carries, Bensenville will be the smallest village in the county incorporated in a high school district. There is but one high school district (Hinsdale) in the county which is as large. Eighteen full sections are organized. Hinsdale has a like number. Every other district including the towns of Naperville, Wheaton, West Chicago, Downers Grove and Elmhurst,—towns ranging from 3,000 to 10,000 inhabitants, and supporting high schools ranging from 160 to 300 pupils, have far less territory. Some have not more than six sections, one third that of the proposed district. We mention these facts to show that with the territory which we have, and with the demands which we must needs fulfill, the tax levy will not even approach that which is found in these districts. We can, with this territory, build and conduct a school which will be a credit to the community, the county and the state with a minimum tax levy. Shall we proceed or shall we let another opportunity pass which may set us back a decade?

The needs are imperative. This, we believe, is the most opportune time from a financial viewpoint. Our failure to put it over last year, reduced the territory available. Shall we suffer a similar loss this year? On Tuesday, April 1, from 9 A. M. to 5 P. M., at Social Hall, Bensenville, you will give your answer. What shall it be?

After a careful review of the entire situation, we believe that both the village and the country people should endorse the plan with an overwhelming majority.

To the farmers we would say that sooner or later you will be incorporated into some high school district. Is not this the most advantageous opportunity? The more extensive the territory, the less will be the taxation. We believe that any possible future organization cannot give you a greater taxable area. We solicit your support with the firm conviction that it is to your advantage to act favorably now.

To the people of the village of Bensenville, we would repeat what we have said to the farmers. In addition we would state that this is your opportunity to provide for an expansion of the village schools, which will result in a far more efficient system than you now have. We can conceive of no reason why the people of Bensenville and of District No. 2, outside the village limits should not give this project unanimous support.

Respectfully submitted,
BOARD OF EDUCATION.
By the Committee.

Smooth—white—washable as tile

BARRELED Sunlight produces a lustrous finish that is smooth and unbroken. This even surface resists the tiny dirt and dust particles. Marks or smudges cannot sink in. Walls and woodwork coated with Barreled Sunlight can be washed clean like tile—even after years of service.

For every interior where light and cleanliness are desired—use Barreled Sunlight. Costs less than enamel, covers better and remains white longer. Easy to apply. Flows freely and leaves no brush marks. Comes ready mixed in cans from half-pint to five-gallon size. Is easily tinted where color is wanted.

Now sold in cans

T. B. TESTING NOTES

Mrs. Anna Sell's Arlington Heights, herd of five grades passed clean.

Herman Heimsoth, Arlington H'ts, had a clean herd—7 head.

J. F. Precht's Arlington Heights, retest on 5 showed no reactors.

Geo. Niemeyer, Arlington Heights, lost three pure breeds out of 12 pure-breeds. Five grades went clean.

Stoddard Farms, La Grange, lost two grade Guernseys out of twenty two.

W. W. Pfug, La Grange, had a clean herd of 9 on semi-annual test.

Geo. E. Wermer, La Grange, lost the family cow that they had for two years.

WHEN DR. LICHTY TESTS YOUR CATTLE

Farmers should take advantage of a visit from Dr. Lichty to get information on barn sanitation and other subjects as well as getting their herds T. B. tested. If he calls at your farm around meal time, insist upon his taking the meal with you. If you live on the South Side of the county and it is getting late when he arrives ask him to spend the night with you. (He goes home at night when he is working on the North Side.) The "Doc" is a good scout and you will enjoy his visit and furthermore your hospitality will be more than repaid by what you will learn from an hour's talk with him. Not only is he thoroughly posted on Bovine Tuberculosis and similar subjects, but he is in close touch with the dairymen of the district and frequently can tell you where you can buy or sell stock advantageously.

T. B. IN 57 PARTS OF THE COW

A study of bovine tuberculosis shows that no important organ or portion of the body is likely to resist the infection. The skin, bones, eye, heart, udder and other regions where the disease is seldom looked for may be the seat of tuberculosis infection.

According to the records of the Bureau of Animal Industry, Department of Agriculture, lesions of the disease have been found in 57 different parts of bovine animals. So-called obscure lesions have been responsible in some cases for livestock owners to doubt that cattle which reacted to a tuberculin test were actually diseased.

The increasing knowledge shows that the disease is practically always present when an animal reacts to the tuberculin test.

T. B. TESTING YARNS

Ed. Wille, Arlington Heights had his cattle tested the same day as John Glade Jr., Palatine, his brother-in-law. Palatine was much the closest shipping point for Glade consequently Wille agreed they had better ship their reactors from there, as it didn't make so much difference to him and they could use the same car. Now comes the rumor that Wille was not allowed to ship from Arlington Heights but had to take his reactors to Palatine. Next!

ILLINOIS LEADS IN T. B. ERADICATION

Illinois ranked first with 3,781 herds tested for tuberculosis during the month of January. Out of the 34,924 cattle tested, 1,350 reacted. Five hundred and sixty herds in the state are accredited. The report shows 11,424 herds on the waiting list. Out of the 440,332 cattle tested in the United States during January 2.43 per cent were reactors. In Illinois 3.86 per cent of the cattle reacted.

JUVENILE FARMER BROADCASTS STORY OF ACHIEVEMENT

At the Juvenile Farmers Institute last Friday there was some broadcasting. It was done in the station of the Daily News in the La Salle Hotel.

Mr. Tobin explained the spirit of the Achievement work and set forth a Cook county plan. The Flossmore Achievement Club sang the Achievement song and gave the Cook County yell. Mr. Farr talked of the Youth of America and especially the Youth of Cook County. Lester Johnson, of Dist. 64½ told his Goat story which was published in these columns last week.

Mamie Guadagni told her wonderful tomato farming experience and it gives the Cook County Farmer pleasure to broadcast her story as follows this week. The Farm Adviser wants to go on record as believing that all this is big business in the farming game.

TOMATOES FOR PROFIT

Mamie Guadagni, Stickney; Dist. 111. I am a member of the Stickney Achievement Club. I am proud of the fact that every boy and girl in our school, who is old enough, is a member of this same Cook County Achievement Club.

Last year I raised Tomatoes. I had a garden plot 190 ft. by 34 ft. or 23½ sq. rods. I helped my father plant my tomato seeds in a hot bed early in the winter. We raise "Beauties."

We think the Beautie a splendid variety of tomatoes. The early spring was not a very good season for hot-bed plants because it was so cloudy. However by the first of May, my plants were strong and about 9 inches high.

We set them out in my garden the 15th of May. We set them in rows 3 feet apart. The first of the summer was fine, but in July we had some heavy rains that almost spoiled my plants. Then the weather was better and they came out fine.

I put lots of fertilizer in the ground early in the spring and then my father pulverized the ground until it was nice and fine. I also raked it in places where I found any lumps.

My father cultivated my tomatoes for me. I hoed them. I also used to go through them and pick off the green tomato worms. At first some of the tomatoes did not ripen right. I picked them off and threw them away. I always opened up my vines so the sun could get into all the tomatoes.

My first picking was August 22nd. I got a good price for them, selling 4 boxes at \$1.25 per box.

August 25th, I picked 8 boxes and sold them at \$1.00 per box. August 29th, I sold 12 boxes at \$.75 per box.

Of course more tomatoes were coming to the market and they got cheaper. I had to sell at \$.50 and \$.60 a box. I got the most tomatoes, from my vines the first week in September.

Altogether I got 162 boxes from my garden. My father charged me \$2.00 for rent, \$17.00 for the fertilizer, \$1.00 for the planting and \$.50 for taking them to market. Of course he took my tomatoes along with his. My expenses were \$9.00. My profit \$117.50.

We have a wonderful garden club in our school. Altogether we worked 2½ acres of ground and our club members made \$282.00 on vegetables.

Yes, we had tomatoes, onions, beets, beans, carrots, peppers, cabbage, radishes, lettuce, pop corn, sweet corn, squash, no bananas.

Several years ago the Chicago Tribune gave a hundred dollars in gold to the best Garden Achievement Club. Our club won it. With that prize money our directors bought a new piano. Two years ago we won the first prize of \$10.00 at the Cook County Fair for the best collection of vegetables.

I am going to raise tomatoes again this year and I hope that after my plants are transplanted the weather will be with me.

If you are passing 79th and Austin Avenue look for my garden and sign board. Look for all of our sign boards. If you miss it you'll be the one who'll miss it.

I was surely surprised a few days ago when my teacher Miss Flavin and our C. L. D. Miss McClaughry told me they wanted me to broadcast my story over the radio. I thought that a much bigger job than raising the tomatoes. It turned out to be great fun and Mr. Tobin said I did it all right. Any way it was a new experience to read to people without seeing them and then to be heard hundreds of miles away is more than I can understand. The man who introduced the speakers said over the radio when I finished, "What do you think of that for Juvenile farming?"—and I have been wondering ever since what they really did think.

A GARDEN AND A ROADSIDE MARKET

By Louis Werhane, Dist. 28.

One day last year (1923) Mr. Shepard came to our school and asked us to join the garden club. Nearly all in our room joined.

In my garden I planted sweet corn, potatoes, cabbage, and beans. The soil was fertile and the plants grew very fast because I prepared a fine seed bed, and made the land for my garden smooth and level; then I planted the seeds; and when they came up I hoed them and kept the weeds cleaned out. During this time I had the chicken pox which delayed me a little in caring for my plants.

As the crops reopened, I harvested and sold them at our roadside market. My garden contained 15 square rods of land. The receipts for the products of my garden are as follows:

July 2 8 lb. potatoes @ 3½¢ \$.28

July 4 15 lb. potatoes @ 3½¢ .52

July 8 6 lb. potatoes @ 3½¢ .21

July 22 2 hds. cabbage @ 11¢ .22

Aug. 10 4 dozen corn @ 25¢ 1.00

Aug. 11 12 dozen corn @ 20¢ 2.40

Aug. 12 1 head cabbage @ 8¢ .08

Aug. 18 13 dozen corn @ 20¢ 2.60

Aug. 20 25 dozen corn @ 20¢ 5.00

Aug. 21 26 dozen corn @ 20¢ 5.20

Aug. 21 4 hds. cabbage @ 10¢ .40

Aug. 22 10 dozen corn @ 20¢ 2.00

Aug. 23 10 dozen corn @ 20¢ 2.00

Aug. 19 5 dozen corn @ 20¢ 1.00

TOTAL.....\$22.91

Sweet corn requires black soil, the right kind of fertilizer and plenty of good care, and the result is good sweet corn. Corn needs to be clean, that is, free from weeds, and it will grow much sweeter.

I worked in my potatoes more than in my corn. I hilled the potatoes up with a hoe. Once the bugs got a fit, and thought they would pay a visit to my potatoes. They had a feast on potato leaves until I got out there, and then they got killed.

My sweet corn was good; I think it is a paying crop, especially where you have a roadside market. Next year I propose to have a garden again.

Our teacher Mr. Cray always helps us.

SOUR CHERRY TREES ON AMERICAN MORELLO Stock

NOT offered by any other Nursery in the United States.

Other Nurseries graft or bud them on Mahaleb stock.

Morello stock trees are more hardy, have two or three times as many roots, are more prolific, fruit from one-third to one half larger. Trees are dwarf, therefore easier and cost less to pick. Trees fruit much earlier and produce more per acre than on any other stock. Prof. J. L. Budd, late of Iowa College claims that they out-live two or three times those propagated on Mahaleb stock.

Stock is limited, no order taken for less than

Three-row seeding and 3-row cultivating must be practised together. By using the Bolens and Planet Jr. 3-row seeder, each group of rows will be so uniform that a 3-row cultivator will work them perfectly.

The Bolens has been on the market for the past several years and has proved its superiority over all others at a demonstration of the Fred Finner Farm, near Park Ridge, Ill.

You're Proud to Live in

This Community

Surely, you have all the reason in the world to be thankful you live in this community. Your commercial interests are here. Your social interests are here. Your prospects here are far more promising than they would be anywhere else. Nary a cloud hovers on the horizon of your future. Could things look any brighter?

Compare this Community with New York, Chicago, or any of the larger centers of the country. There it is---"Everybody for himself. Get what you can and the best o' luck." It's hustle, hustle every minute with never a thought or a kind deed for a neighbor's welfare.

How different the spirit is here. Your neighbor's interests are your own. He thinks---"What can I do to please others? What can I do to help improve the town, help it grow and make it a better place to live in?" Your thoughts are the same. And through your actions and his actions, this community has become the best place in the world.

Population doesn't make a great community. It's the spirit of those who live in it.

So do a little "Oral Boosting." Tell the world you're mighty happy to be here.

We, the undersigned business interests, are doing our share by advertising the fact.

Why Illinois Women Must Get Out And Vote April 8

Illinois League of Women Voters
Work to Get the Vote
Out April 8.
The eight principal reasons why Illinois women must vote at the coming Primary Election are:
1. The opportunity is given to share in the choice of their parties' nominees. The best candidates of every party can be chosen by the voters if each citizen will cast a vote.
2. Good officials cannot be elected Nov. 4, unless able men and women have been nominated April 8.
3. Because in some cases the Primaries determine the election. Where one party is much stronger than the other its nominees are sure of election. The Primaries in 1922 settled those to go as representatives to the General Assembly in 23 out of 51 senatorial districts.
4. Because the woman voter's power in her party can as yet, be more effectively exercised at the Primaries than in party committees and conventions.
5. 1924 is the Citizen's chance to say what he wants done by his party and his government. In 1925 the public officials elected will be responsible for carrying out what was wanted.
6. April 8 each party—
Expresses its preference for president.
Nominates candidates for United States Senator and Congressmen; for Governor, Lieutenant Governor; Secretary of State; Auditor of Public Accounts; Treasurer; State Senator and Representatives; County State's Attorney and other officials, besides electing its party precinct, senatorial and state central committee and delegates to the national party convention.
7. Because the parties' nominees, committeemen and delegates to the national convention chosen April 8 write the National and State Party Platforms.
and because
8. Women voters must learn to use to the best possible advantage the methods established by the Election Laws of the State for the nomination of candidates for office.
The slogan of members of the Illinois League of Women Voters for the coming election campaign is:
"Get out the vote to nominate the best candidate April 8!"

MUSICAL GIRLS
The third of the series of entertainments by the Community Entertainers under the direction of the Glenview Civic association will be given Tuesday evening, April 1st at 8:00 o'clock at Krueger's hall, Glenview.
The program will consist of musical numbers by a group of young women and has been much appreciated by audiences before whom they have appeared.
The last program by Aladdin, the magician, was well attended and appreciated. If you have no season ticket, single admissions may be paid at the door.

GLENVIEW VILLAGE CAUCUS

An interesting general meeting was held Saturday evening, March 22 at the Village Hall. A keen interest was displayed by both men and women to assist in naming a ticket for the coming village election, April 15.
The gathering was a representative one of the voters of the community. The number present being 90. The women following the precedent established last year, continue to hold an interest in the naming of the ticket.
The following received the nomination for officers: For Village Trustees, Frank D. Moverly, 55 votes; Dave Danielson, 43; Norman Soergel, 38.
For Village Clerk: Walter Meng, unanimous.
For Police Magistrate: John B. Synnestvedt, to succeed himself, 34 votes.
For Trustees other nominations were Ernest Schultz, 34; William Heimgartner, 33; Oscar Seaborn, 32.
For Police Magistrate: George Kehle, 29; Edward Walbaum, 27.
President H. M. McCullen was chairman of the meeting and Walter Meng acted as secretary.
Finding the time opportune, President McCullen called for an expression of opinion on the feasibility of bonding the village for the erection of a new village hall, the present building being originally intended for the housing of the fire apparatus and the jail when erected several years ago.
Interested village meetings becoming more frequent as time elapses it is most essential that suitable quarters be established where the citizens of the village may gather to discuss important village problems.
Geo. W. Kehle voiced the opinion of the great majority of those assembled when he said that Glenview needed a new village hall. With but a very small dissenting vote, the idea was looked upon most favorably. As a result of such an expression it is to be hoped that the citizens of the village may soon have the privilege of voting upon such a bond issue.

TOWN ELECTION APRIL 1, 1924

The following are entitled to your support at the coming town election and we believe that the interests of the town of Northfield will be best served by their election by reason of their long residence in the township and their close attention and service to its best interests on all occasions.
For Supervisor, Wm. Bernhardt, who has served faithfully and well.
Road Commissioner, Thos. Wagner who has acted as a very efficient commissioner of highways for many years.
Assessor, Wm. Freese, because of his standing and his well known qualifications for the office.

Collector, Henry Tagtmeier, for many years a well known citizen, well qualified on account of his conscientious work to be elected to this office.
Town Clerk, Andrew Truelson, good faithful worker, entitled to succeed himself with your full support.
Chas. S. Cde, Justice of the Peace, practicing lawyer, an essential qualification for the office of Justice of the Peace. We believe that every candidate for a judicial position should be a lawyer because of the legal questions involved.

COOK COUNTY ACHIEVEMENT CLUBS HOLD INSTITUTE

Vitalized Education Shown at Meetings of Achievement Clubs

Vitalized education is the hub of the wheel of educational progress in Cook County schools. The spokes of that wheel are such industries as cattle and poultry raising, dairying, agriculture, home sanitation and hygiene, canning and preserving of foods, sewing, making and splicing of rope and special work along the civic line of club organization that goes far toward making useful, active citizens.
The real significance of vitalized education was demonstrated to a marked degree at the Juvenile Farmers Institute conducted by members of the Achievement Clubs of Cook County schools, Friday, March 21, at Fullerton Hall, Art Institute.
So great has the interest in our Achievement Clubs become that before another institute is held, it will be necessary for those in charge to secure larger quarters.
More than 600 delegates, visiting teachers and parents attended the two session institute Friday and with pride and amazement saw the "Coming men and women of Cook County"—whose goal is to achieve, illustrate the true meaning of School and Home projects.

Space forbids a lengthy report of individual projects; but most gratifying is the solving of the problem of malnutrition in the rural districts. No more under nourished children in the country schools for they have learned the value of milk and butter in the development of mind and body.
They consider not only a balanced ration for themselves but they realize the significance of it for their live stock in dairy, meat and egg production. No more carrying, or preventing diseases through neglect, for the children are exterminating the fly. No more waste of foods in the garden for the girls are canning and preserving while they fashion sensible garments of wearing apparel. No more raising of minimum crops of corn for they tell us "Corn Is King" and how to keep him on his throne.

The Cook County schools are becoming known thruout the country for their development along these lines. For decades the aim of education has been the correlation of school and home. Those of us who have gone along, emphasizing the necessity of cooperation realize today that Superintendent Edward J. Tobin with the assistance of his Country Life Directors has brought the schools and home into almost an ideal condition of cooperation.
Many great movements that have lived down through the ages have been started by a "power behind the throne," and it was with great satisfaction that mothers and teachers in that large audience Friday learned that our schools and homes formed a close affiliation with Mrs. F. Belle Tobin.

Frederic Cargill of Wheeling, had the honor of presenting Mrs. Tobin a fine specimen of his poultry raising project as he acknowledged her assistance in the perfecting of the great School-Home Project movement.
To enable the great success of this movement to reach beyond the boundary lines of our own county, the radio was used to carry the work of the institute to distant points.
Lester Johnson, a ten year old boy of Des Plaines, explained his success in goat raising over the radio from the Daily News Station WMAQ.
Other broadcasts were made by Supt. Tobin and C. L. D., C. W. Farr, from the station at La Salle Hotel.
The Flossmoor delegation gave the Achievement song and County Yell. Mamie Guadagni told of her tomato farming.
155 schools in Cook County sent delegates to the convention, and representative schools from each Country Life District had complete charge of the Institute.
Country Life Directors, and their schools were as follows:
Aken—Districts 8 and 43.
Farr—District 21, Wheeling.
Hart—District 87.

Shepard—District 34, Glenview.
Miss McMahon—District 108.
Miss McClaughry—District 124, Evergreen Park.
Paul—District 133, Riverdale.
Paul—District 161, Flossmoor.
In the afternoon, officers of the Achievement Clubs in each of the seven country life divisions, chosen by the director, addressed the audience with illustrated talks. The institute closed with a talk on Patriotism—a study of love of country, home and school, by C. W. Farr.
B. M. VanSteenberg, Dist. 34.

Achievement Club Notes

Much was learned about the history of special breeds of cattle from the lecture on Dairying at the Institute, Friday, Districts 8 and 43 in Mr. Aken's division are strong for the upbuilding of youthful bodies with dairy products. These girls and boys know all about the early manufacture of cheese also.
District 21—Wheeling School in Mr. Farr's division, displayed splendid specimens of their Poultry project. If we were judging for looks 'twould be hard to tell which bird was hand-some and after all, beauty has its part to play in this world.
It would be most interesting if Mr. Gudgeon's group of small boys from Mr. Hart's division, could be transported to Glenview to show our boys how to make and splice rope. Mothers might never be short of clothes lines if boys had binder twine and the information of how to twist it.
Through the efforts of District 108 in Miss McMahon's division, every mother present at the lecture on home sanitation will swear every fly she sees in April, May and June so that there will be nothing to swat in August.

Oh, so much could be written about the girls from Evergreen Park school, for to every mother the significance of having daughter make her own pretty cooking apron and to pitch in on hot summer days to help can the beans, berries and peaches is so great, greater than the teacher who is helping that home project can ever know.
Miss McClaughry may well be proud of the work that is being done in District 124.

And the Asparagus farming at Riverdale. How little a bunch of asparagus purchased at the store tells. One must see these vast fields in the south half of the county, to realize the industry of asparagus farming, replacing to some extent the growing of onions, where soil is adaptable to the former plant. Boys and girls from Riverdale know how to produce asparagus. They told of its market value, of the time spent in the fields during cutting time, and they had their own little chart to illustrate their lecture. Their adaptation of the popular classic, "Mr. Gallagher and Mr. Shean," to their work proved an entertaining feature. Mr. A. E. Paul is their Director.

The model Achievement Club meeting by the Flossmoor school at the afternoon session of the Institute was truly instructive and worthy of great commendation. Boys and girls who are today conducting meetings according to Parliamentary Rules will know in the future how to conduct organization meetings so that valuable time may not be lost in the discussion of problems of vital interest in civic and social undertakings. Education along these lines is absolutely essential in the making of useful citizens.
Especially valuable to members of a club is the pledge and perhaps the phrase of the Flossmoor club pledge that is exceedingly commendable is that each member pledges to make himself a self supporting citizen.
Achievement Clubs do not all pursue the same lines, some of the members profit individually, others collectively. The Glenview Club reports that the proceeds of their St. Patrick's party will start a piano fund after pure geography maps has been paid.

Glenview School

Wins Recognition

The Glenview School ascended one round higher on the ladder of progressive education, Friday, March 21, when ten girls chosen from the four upper grades as representative members of the Achievement Club appeared before the audience of more than 600 students, parents and educators gathered for attendance at the Juvenile Farmers Institute in Fullerton Hall, Art Institute.
Parents offered the privilege of attendance at the institute felt indeed a great satisfaction in representing the community of which our school is such a vital part.
Glenview children have appeared before large audiences at home in their various kinds of entertainments and have always carried their parts with great success and self confidence, but they reached the climax of their ability of appearing before the public Friday.
Their subject was Agriculture and their lecture was on Corn. They told us how to select and test seed, how to plant and how to protect the plant from the root worm and other insects. With the aid of a graphic chart they drove home to their listeners the necessity of study along these lines to insure a maximum crop of the king of Illinois grains.

We were proud—nay, we were amazed at the self assurance. The oratorical powers of these girls that we meet day after day in our community life. Glenview stood out not alone in Glenview's estimation but in the unbiased criticism of teachers and pupils of other schools, which is indeed a test.

Occasions of this kind have a most significant bearing on the place our school holds in the system of Cook County schools.
This is the second occasion within two years that this Glenview school has been called to the front because of its work. Two years ago, a teachers of work held and the teachers of Division 4 and all the Country Life Directors and superintendents of neighboring towns attended. That was an exhibition of every day school work and perhaps more of an attribute of accomplishment on the teachers' parts than that of the pupils. Friday's work was more that of groups of children excelling along prescribed lines.

We were proud of our daughters in their simple uniform dresses of middie and dark skirts—proud of their simplicity, their grace their delight in being the center of attraction. The individuality of the school stood out in its original song, "Corn Is King," and the graceful rhythmic steps of the girls as they sang. Much appreciated was the pretty little "Ode to the Corn" given by Grace Bartling looking like a dainty stalk of corn herself in her pretty green and yellow dress.

Through it all was seen the hand of Miss Norton whose ability for getting the best ever increases.

The most gratifying praise after all is that which comes from fellow teachers and pupils. Miss Mulvey, of Morton Grove said a great deal when she spoke of the poise of our children and then added, "but through it all you can see Miss Norton."
Miss Vaughan, of Evergreen Park, whose girls did so well in their lecture on canning, said she was very proud to be rated with our school. But the keenest mark of success is the stamp of approval of good work, by Superintendent Tobin and Director Shepard for they are the ones who are ever leading on to higher educational attainments.

Members of the Achievement Club who participated were: Adeline Voelk, Elizabeth VanSteenberg, Gladys Walbaum, Albertina Meierhoff, Elizabeth Peter, Ruby Morton, Lucile Gaetje, Emily Gould, Catherine Ginnaine, Grace Bartling.

Among the Glenview parents in attendance at the Juvenile Farmers' Institute Friday, were Mesdames Slonson, C. A. Bartling, Walbaum, VanSteenberg and Jos. W. Morton.

Letter of Commendation From School Director

Th highest mark of approval that workers receive for conscientious effort and success, is embodied in the simple words—"Well done, Thou good and Faithful servant."

The accompanying letter is one that we feel should reach our readers because of the bearing it has upon our school and homes.
After all, the standing of our school in the county may be primarily traced to the work that is done by the men who are chosen to represent the tax payers of our community. Glenview is particularly fortunate in having men among the board of directors progressive and far sighted enough to realize that money used for the education of our children is not spent but invested; that it will bring multiplied returns to the community. They are the ones responsible for the possession of our excellent teaching corps.

The cooperation between Glenview homes and its school seems to have reached nearly an ideal state—parents realizing that without material, even excellent teachers will not succeed, are endeavoring to put into these artists' hands the best, that the molding may be more perfect. Therefore parents, teachers, directors are able to give to the world such a group as gathered on the stage in that large auditorium on Friday representing District 34.

The parents whose girls took part Friday, will be pleased to read of the impression made upon Joseph W. Morton one of our school directors.

Chicago, March 21, 1924

Dear Mrs. VanSteenberg:
I was an interested spectator at the Juvenile Farmers' Institute held by Supt. Tobin, in Fullerton Hall, Art Institute, on the above date—and because of my enthused feelings in relation to Glenview School, Dist. 34, and its part in the program, I am moved as a director of this district to give you my impressions of the school and the excellent work being done there under the competent instruction of Miss Lillian Norton and her assistants.
I understand that each Country Life Director was allowed representation by one school. From fifty two schools in Seth Shepard's division, Glenview was selected to represent Division 4. Their subject was "Corn"

and I am satisfied that this school could take any subject to be selected to represent Mr. Tobin and Cook Co., compete against all the counties in the state and compare as favorably as they did today.

I remember the young ladies who took part, as babies in their first exercises in our school when the best effort required of them was to assume the role of butterflies and today each one taking part shouldered her school to the front in decided fashion to keep Glenview a shining star in Cook County School affairs. I have in mind the fact that when a member of any class is charged with the task for the benefit of the school, pep, with conscientious effort, with good judgement are used in its successful completion.

This school spirit is instilled and encouraged by Miss Norton, Principal and her teachers, Misses Christman, Greene and Ridgway. To them therefore is due every consideration and all credit for the advancement of our school in all of its branches.

In addition this year Miss Norton is observing the standing of her last year's graduates in their first year of high school work with the idea of balancing the grade work in our school so that the future high school pupils may assume the advanced studies with the least possible additional effort. Observation leads us to believe that if great care is not taken a student may be weak in one yet strong in another study. This leads to the label, "County" often attached to graduates of village schools.

In relation to Dist. 34 this idea is being changed for the products of our school are comparing most favorably with schools of other cities. To me it is a pleasure to be connected with an institution from which the returns are so rich in the matter of Successful Advancement of public school work and the friendliness shown toward the teaching staff by the parents of pupils. Respectfully,
Jos. W. Morton.

THANKS WHEELING CLUB

March 22, 1924.
To the Wheeling Achievement Club:
I am writing this to thank you for that splendid Capon you presented me last Friday at the Juvenile Farmers' Institute. I hope the success of your club in general and each member in particular will be as decided as this fine product of the poultry business.
Yours most truly,
Mrs. Belle Tobin.

PUPILS OF WHEELING SCHOOL SHOW "PEP"

The above picture was carried by the Daily News and the Journal. These boys and girls are from Wheeling and that town is mightily pleased with such decided recognition. Their subject was Poultry and in the picture Fred Cargill is presenting to Mrs. Tobin a very fine Capon. From left to right the pupils are Lorraine Utpatel; 1, Fritz; 2, May; Hoffmann; 3, Fred; 4, Ethel; 5, Helen Radke; 6, Mrs. Tobin; 7, Jean

Rhys; 9, Fred Winters; 10, Harold Forke; 11, Ray Hotopp.

The members of the Wheeling Board of Directors are Frank Forke, Reinhold Schneider and Charles F. Balling. These men did everything men can do and then some to encourage these children and teachers in this undertaking and they are greatly pleased that it was such a decided success.

The Roosters which were taken to Chicago were furnished by Grace Hank, Peter Pilgrud and Elmer Grandt.

The Principal, J. A. Kellogg and the primary teacher, Miss Ida Levinson did their best and their best was just good enough.

Wheeling is a bigger and better town than it was before this group of boys and girls went to Chicago last Friday.

GIFTS TO THE HIGH SCHOOL
The High School wishes to acknowledge with thanks the gift of a splendid collection of coral. The W. B. Chapmans are the donors. Many shells, two sets of horns, and a number of specimens of marine life were included with the beautiful selection of coral. All of the material is in fine condition and constitutes a much prized addition to the very modest museum now at the High School.

Mr. and Mrs. A. T. Kates have again made a generous gift of books to the High School library. Only those who are in touch with the situation can realize how much real value a few good books can give just at this time. The lack of library facilities may handicap a child all of his life, and their presence may open a new and delightful world.

CARD OF THANKS
We desire to express our sincere thanks and appreciation for the kindness of relatives, neighbors and friends since the death of our grand mother.
Cora Weide.

"Price Class"

the mysterious stranger in the motor industry

Does a difference in price indicate a difference in quality? Why is one car priced 25% to 50% higher than another of the same quality? The 4 questions that a buyer should ask when considering any car.

HERE are facts based on world's engineering authority. If you have any intention of buying an automobile, you are urged to read them.

No "Price Class"

There are only two kinds of automobiles today. Economically produced cars which give you more for your money. And cars which are not, and give you less.

Price does not indicate intrinsic worth. But an individual maker's cost of production.

Hence two cars may show a price difference of \$400 to \$1,200 and more. And be of the same quality.

The difference in price simply shows that it cost one maker more to make this car than the other. Judging value on price, this is folly. Price class is a myth.

Where the Difference Comes in

Studebaker, producing 150,000 cars yearly, has reduced engineering cost to \$3.33 per car.

This is based on a total engineering cost of \$500,000 a year, which is the least on which any manufacturer can maintain an efficient engineering department.

Thus a manufacturer producing but 20,000 cars a year must add \$25 per car for engineering, or eight times as much as Studebaker.

Other fixed overheads have been reduced proportionately. And these influence Studebaker prices.

* * *

A set of body dies costs \$100,000. It will produce many thousand sets of body stampings, each one as perfect as though there were only a dozen made.

By building 50,000 bodies from a single set of dies, Studebaker reduces the die cost per body to only \$2.00.

LIGHT - SIX

Touring			1025
Roadster (3-Pass.)			1195
Coupe-Roadster (2-Pass.)			1395
Coupe (5-Pass.)			1485
Sedan			

The average small manufacturer whose volume will enable him to build only 5,000 bodies from a set of dies in the same time in which Studebaker builds 50,000 has to charge each body \$20 for die cost. The difference of \$18 is in the price but not in the body. The customer pays it but he gets nothing tangible for it. It is one of the penalties of uneconomical manufacture.

Thus a car priced at \$1,200 to \$1,400 can be sold as low as \$1045 when produced economically in quantity.

ings than are used in any competitive car, within \$1,500 of its price.

We subject Studebaker cars to 30,000 inspections. That requires 1,200 men. All told over 70,000 hand and machine operations are performed in the manufacture of a Studebaker car. In so many operations, though each one is small, there is great opportunity for economy and savings. 15% premium is paid on many standards to insure Studebaker specifications instead of "commercial run" used in cars many times Studebaker price.

No finer car can be built than the Studebaker of today. Only famous foreign cars and the most costly of American cars, compare.

Why Studebaker excels the world in body building

For 72 years Studebaker has been a builder of quality vehicles.

This historical tradition has been inbred in generation after generation of coach-makers. And the Indiana city of South Bend is known as a world-Mecca of artisans of this craft.

In the modern \$10,000,000 Studebaker body plants, there are sons and fathers and grandfathers working side by side. Their religion is fine coach building. And this is reflected in their work.

As fine body builders, Studebaker stands supreme. No other maker has the experience of Studebaker. No other the Studebaker traditions to inspire him.

Such a car is the Studebaker Light-Six Touring Car, at \$1045. A clear difference of between \$155 to \$355.

The uneconomical manufacturer is not profiteering. He is unfortunately situated, that is all.

Equalled Only by Costliest Foreign and American Makes

All Studebaker models are equipped with Timken bearings. There are few cars in America, regardless of price, which equal ours on this point. In our Light-Six, for instance, we put more Timken bearings than are used in any competitive car, within \$1,500 of its price.

See a Studebaker—Then Decide

Buy no car until you've seen a Studebaker. Go over it, point for point. Consult any unbiased expert. Ask your banker. And you will own a Studebaker.

Get an Answer to These 4 Questions Before Buying Any Car

1—Is this an assembled car? Or "partly" assembled. Insist on this answer. Assembled cars pay a profit to from 75 to 100 parts makers alone.

2—What sort of bearings? Studebakers are Timken-equipped. Everlasting smoothness and quiet performance result.

3—How many cars a year does this maker produce? Small productions mean either a higher price or cheaper car.

4—What sort of upholstery? Studebaker closed models are done in Chase Mohair, the finest material for this purpose known. Open models are upholstered in genuine leather.

Candidate for
Township Collector
on the
Peoples Ticket

To the Legal Voters of Wheeling Township

There are Six candidate for Tax Collector of Wheeling Township this year.
But only One can be elected. Of course each would like to be the chosen one. It is not a question of honor but simply the money in the job that all are after.

I have been a liberal supporter of every enterprise for the public benefit the past 25 years. I have cheerfully donated to every appeal for charity. I have paid heavy taxes for water Works, Sewer System, Paved Streets etc., etc. I have always paid my taxes to the home collector, so it would stay in the home town and shall continue to do so, whether I am elected or not.

I have no grievance nor jealousy against any of the other candidates. I am not in any clique nor combination, but am alone simply running on a Platform of Public Service..

There is no question about my integrity or ability to perform the duties correctly.

This is my last chance to secure public recognition of my unvarying patriotism and unselfish service during the past 25 years.

All the other Five Candidates are young men with equal opportunities in the future when they have won their spurs.

Now Ladies and Gentlemen, I solicit your votes on my merits of past service and promise of future endeavor.
Yours for good honest Government,

Respectfully,
H. C. PADDOCK.

Ladies! Your vote counts just as much as any man's vote and is just as much desired. I have for the past 25 years been liberal in giving free space in my papers to the Women's Clubs, Churches and all local organizations—always ready to do my part for the betterment and improvement of all enterprises in the Herald-Enterprise-Register Beacon territory.

ANNOUNCEMENT

I AGAIN desire to call the attention of the voters of the TOWN OF WHEELING that I am a candidate for re-election to the office of HIGHWAY COMMISSIONER.

The Bridges and the Roads of the Town of Wheeling have practically all been built under my supervision and are all paid for. There is no special tax and no bonds.

I offer this work as my recommendation. I am asking your support upon my record. It is impossible to see every one personally.

REMEMBER THE ELECTION

Board of Education.

Public notice is hereby given, that on Saturday, the 12th day of April, A. D. 1924, an election will be held at Fireman's Room, Village Hall, between the hours of 5 P. M. and 8 P. M. of said day, for the purpose of electing a President of the Board of Education of District No. 25 in the County of Cook, State of Illinois, and Two (2) Members of the Board of Education of said District.

President to serve for term of one year.

Two (2) members to serve for the term of three years each.

The polls of which election will be opened at 5 o'clock P. M., and close at 8 o'clock of the same day.

By order of the Board of Education of said District.

B. A. Noyes, President.

F. H. Meyer, Sec'y of Board

NOTICE OF PROPOSALS FOR BIDS

NOTICE TO CONTRACTORS

Sealed bids will be received for the construction of a connected system of street pavement in Mitchell Avenue in the Village of Arlington Heights, Illinois, as provided for in the proceedings known as Arlington Heights Special Assessment No. 38 in the County Court of Cook County, by the Board of Local Improvements of the Village of Arlington Heights, Ill., until the 4th day of April A. D. 1924, at the hour of eight o'clock P. M., at the Board Rooms in the Village Hall in said Village of Arlington Heights, at which time and place said bids will be publicly opened.

It is estimated that in the construction of said improvement it will be necessary to furnish labor and material about as follows:

520 Cubic yards earth excavation to be removed;

1446 Square yards steel reinforced concrete pavement;

2 Cast iron inlet boxes; weighing not less than 150 pounds;

30 Lineal feet 8 inch vitrified tile pipe for inlet box connections.

Said improvement shall be constructed and made in accordance with the ordinance providing for the same and the plans and specifications for the same on file in the office of the Village Clerk of said Village.

Proposals must be on blanks furnished by said Board and on file with the Village Clerk and in compliance with the instructions thereto attached which can be had on application to the Village Clerk of said Village or W. H. Allen, engineer, room 455, 122 S. Michigan Avenue, Chicago, Illinois and must be accompanied by cash or a check payable to the order of the President of said Board of Local Improvements in his official capacity, for an amount not less than 10% of the aggregate of the proposal.

The contractor shall be paid in Special Assessment Bonds payable out of the Special Assessment levied for said improvement, with interest at the rate of 5% per annum.

No bid will be received unless the party offering it shall furnish evidence satisfactory to said Board of Local Improvements that he has the necessary facilities, ability and pecuniary resources to fulfill the conditions of the contract and execute the work should such contract be awarded to him.

Bidders will examine the ordinance plans and specifications and also the locality in which said work is to be done, and judge for themselves all the circumstances and surrounding conditions affecting the cost and nature of the work.

The Board of Local Improvements reserves the right to reject any and all bids as authorized by law.

Dated: Arlington Heights, Illinois, March 21, 1924.

PALATINE TOWNSHIP

CANDIDATES FOR SUPERVISOR

To All My Friends and Voters—
So many people have asked me to become a candidate again for supervisor, telling me they were satisfied with the service I gave them as supervisor and as no one else has filed to date, I shall use this means to announce myself as a candidate.

I shall give you the same service in the future as I have in the past.

Hoping you can see your way clear to vote and support me.

Yours respectfully,
August Timmerman

TO THE VOTERS OF PALATINE:
I have become a candidate for the office of supervisor of Palatine township at the solicitation of friends who believe that my business experience and fits me for the position of trust and as a public citizen I stand ready to give the business of the township the attention and time that it deserves.

The present supervisor publicly and in print two years ago, expressed his willingness to withdraw from the position this year. He has had it four terms. I have nothing against him as a man or as supervisor, but think that a change is due to the voters, whether the new supervisor is myself or someone else. I ask your consideration at the polls.

E. H. Oltendorf.

CANDIDATES FOR HIGHWAY COMMISSIONER

I herewith announce myself as a candidate for the office of Commissioner of Highways of the Town of Palatine. I have always tried to do my best with the roads and ask your consideration upon my record.

Henry Roper.

To the Voters and Tax Payers of Palatine:
I have decided to run for Commissioner of Highways for last summer as you may not know, I underbid most of the contracts for highway work and saved the tax payers some money.

If elected as commissioner, I shall use all my influence to give you your money's worth.

The present commissioner has been on the tax payers' roll for 19 or 20 years and I think the public has well supported him all of these years.

A change may be a good plan and then too, the County having taken over so many of our roads, I don't think the commissioner should put in full time on them.

Peter Holtz.

CANDIDATES FOR COLLECTOR

I herewith announce my candidacy for the office of collector for the town of Palatine. I have been a tax payer a great many years, and have always had the interest of the town at heart and I have had the experience that such work requires. I ask the consideration of the voters.

Henry S. Heise.

I wish to announce that I am a candidate for the office of Tax Collector in the Township of Palatine. I kindly ask your support at the coming election.

James E. Morris, Jr.

I hereby announce myself as a candidate for Palatine township tax collector. I kindly solicit support at the election. I am a farmer and one of the biggest tax payers in Dist. 13.

Yours very truly, WM. WITTE.

I herewith announce my candidacy for the office of tax collector for Palatine township and ask the support of the voters at the coming election.

William Witt.

As a resident of Palatine for 25 yrs. without asking for public office, I come to the voters of this township asking their support for the office of collector.

Herman Gieseke.

I hereby announce myself as a candidate for the office of collector for Palatine township and assure my friends that any support they can give me will be greatly appreciated.

Henry Heide.

CANDIDATE FOR CONSTABLE

I want to take this means of expressing my thanks to the taxpayers and voters of Palatine for the opportunity of serving them in the collection of taxes the past two years.

I desire to also state that I am a candidate for the office of constable. This office has not been filled for some time and I want to assure the voters that if I am elected, I will qualify.

Wm. L. Larsen.

ELECTION NOTICE

The proper petition having been signed by at least twenty-five per cent of the land owners who are legal voters of the Town of Palatine, township forty-two (42), north, range ten (10) east of the third principal meridian, Cook County, Illinois and filed. Notice is hereby given that on Tuesday, the 1st day of April A. D. 1924 at the polling places designated below in said township, between the hours of six o'clock A. M. and four o'clock P. M., and at the time of the regular annual election of said township a vote will be taken for or "against" levying a special tax in the sum of 25 cents on each one hundred dollars (\$100) assessed valuation of all the taxable property, including railroads, in the said township of Palatine, for the purpose of constructing and maintaining gravel, rock macadam or other hard roads in said township, the same to be more particularly located as follows, to-wit:

Plum Grove Ave., Quintin's Corners Road and Ela Road.

All in the said township, said tax to be levied for the years 1924 and 1925.

Polling Places:—Precinct 1, Witt's Ice Cream Parlor; Precinct 2, Village Hall.

Dated this 18th day of March, A. D. 1924.

Harry H. Schoppe, Town Clerk.

NOTICE

Notice that Board of Auditors will hold annual meeting, March 25th, at 2 P. M., Village Hall, Arlington Heights, Ill. All those who have claims please present them at this meeting.

R. H. BOEGER, Town Clerk.

WHEELING TOWNSHIP

To the Voters of Wheeling Township:

ways tried my best to give the It is hardly necessary for me to state my platform in my candidacy for the office of highway commissioner of Wheeling township. The majority of the voters know what I have done in the past and what they can expect from me in the future.

I have done my best to fill the office in a manner that would bring the approval of the majority of the tax payers. I ask these taxpayers to come out to the polls at the township election, no matter how much you may approve of my work in the past and my candidacy, if you stay at home and do not vote it gains nothing for the cause.

If you think I am worthy of being re-elected, your support will be appreciated.

Herman Garms.

CANDIDATE FOR HIGHWAY COMMISSIONER

Believing that a change in a public office is not a detriment to public welfare, but rather that it is often times beneficial, I have become a candidate for the office of highway commissioner of Wheeling township. I also believe that I understand road building as well as the next man and am prepared to run the office my best endeavors. I solicit the support of the voters at the township election.

Fred Schoenbeck.

CANDIDATE FOR COLLECTOR

I wish to announce that I will be a candidate for the office of township collector for Wheeling township, subject to the will of the voters, April 1.

H. F. Reese.

CANDIDATE FOR COLLECTOR OF WHEELING TOWNSHIP ON A PUBLIC SERVICE TICKET

To my friends and former patrons: As former Editor and Publisher of the Cook County Herald the past 25 years, I have fostered every enterprise for the benefit of every community covered by the several papers which I purchased and built up by hard work early and late, especially the home towns of Wheeling township and faithfully served all our patrons without distinction of party or creed. Several times in the past 25 years I have desired the position to which I now aspire but each time stepped aside for persons of longer residence, who filled petitions earlier I have always been liberal to the public and given much generous free notices for the public weal. As I now have to depend on my personal efforts for making my living, I feel that I merit the consideration of the voters of Wheeling township for the office of tax collector for the coming term. If elected, I sacredly promise able, honest service.

H. C. Paddock,
Candidate for Collector on the Public Service Ticket.

TO THE VOTERS OF WHEELING TOWNSHIP

In announcing my candidacy for Collector of Wheeling Township, I feel that all the voters have known me for many years, and in asking you for a continuance of this confidence I solicit your support at the polls at the coming township election.

NORTHFIELD TOWNSHIP

NORTHBROOK

Have you heard the spring canary, at Wm. Landwehr's store? They also have their "sunshine" store in the new building, Miss Alice Eberlien. They afterward "listened" to the Chicago Sunday Evening Club over the radio.

Mrs. Thelma Gartner had Mrs. Edw. Gries for a caller last Wednesday afternoon.

Another late picture at the Northbrook theater will be shown April 3, "Defying Destiny," a famous Marshall, who won much applause as the Indian trader in "The Covered Wagon," has added to his laurels by his excellent performance in the totally different role of Dr. Gregory in the new screen play "Defying Destiny," by the noted author, Grace Sanderson Michie, which will be at the Northbrook theater, April 3.

"Defying Destiny," is a photodrama of much charm and originality, and Mr. Marshall, as famous surgeon, changes the entire life and fortune of hero Jack Fenton, (played by Monte Blue).

Miss Mary Melzer, of Glenview, is staying with her brother, Mr. George Melzer, for the past few weeks.

Thru the kindness of Mrs. Rickwarth and Mrs. Henry Kiest, little Elmore Lawrence, who is very sick, received a beautiful bouquet of flowers from the Presbyterian Sunday school.

Remember the date, April 12, and vote for school director. How about some of the ladies?

Mrs. Frank Meier entertained at Sunday supper, Mr. and Mrs. C. Meier and son from Wilmette and Mr. and Mrs. R. Lauer.

Mrs. E. Therrien visited Mrs. Martha Lorenz last Wednesday afternoon. Mr. and Mrs. Emig are back at the J. Bloedner home after staying in Deerfield for a few days.

Mrs. Marie Melzer visited her mother, Mrs. Delor, at Blue Island, one day last week.

Mr. Wm. Schultz has sold his house on Shermer Ave. to Chicago people. The Schultzes expect to work in Glenview.

Little Marjorie Guhl accidentally scalded her leg, very badly last week and had to be taken to the Highland Park hospital to have it taken care of. Her friends are very sorry for her and hope she will be able to play again soon.

Mr. and Mrs. Kinley spent Sunday with Mr. and Mrs. Ed. DeJor.

Henry Kiest is having his house painted.

All relatives and friends were invited to attend the auction at Henry Secklar's, last Saturday, March 22.

They came at about 9 o'clock, when at noon, a dinner was served to about 45 people; then lunch was served outside; about 3 o'clock another lunch was served to about 200 men. The sale turned out to be a great success. About 25 people were served at supper time, and to help spend the evening. A very good time was had, one not to be forgotten very soon.

The Presbyterian Ladies Aid had their regular meeting last Wednesday, March 19, with large attendance. Mrs. Wilson, a prospective member, was asked to join. Election of officers and business was taken up, with Mrs. Ed. Landwehr re-elected President; Mrs. A. Carstensen, Vice-President; Mrs. H. Kiest, Secretary and Mrs. E. Wessling, Treasurer; Mrs. O. Kiest and Mrs. A. Carstensen were appointed on Building Committee, and Mrs. Petersen and Mrs. O. Mueller were on sick committee. The members spent all day sewing aprons. A very good lunch was served by members Mrs. A. Therrien and Mrs. A. Lorenzen. A very pleasant and useful day was spent. Next meeting will be April 16.

The members of 500 Evening Club surprised Mr. Wm. Schultz last Saturday evening to help celebrate his birthday. There were Mr. and Mrs. John Ide, Mr. and Mrs. A. Holste, Mr. and Mrs. Louis Borchardt, Mr. and Mrs. Emil Meintzer, Mr. and Mrs. R. Lauer, and Mr. and Mrs. Albert Dehne. A delicious lunch was had and everyone enjoyed the evening.

Mr. John Auguri has bot Mr. Verplanck's house on Walter Blvd.

Mr. and Mrs. Henry Therrien were Chicago visitors last Sunday.

Mrs. Chase and Mrs. Nick Wagner had luncheon at Mrs. Margaret Meier's last Wednesday.

Miss Dorothy Antes, of Highland Park, spent the week end with her aunt, Mrs. Henry Kiest.

Mr. and Mrs. Ed. Happ, Mr. and Mrs. Nielsen, Mr. and Mrs. Geo. Schick, Mr. and Mrs. Joe Kortman, Mr. and Mrs. Wm. Landwehr and Anna and Ole, spent Sunday with the Stratford family at Highland Park. The ladies attended the show, and the men played cards. A very pleasant evening was enjoyed by all.

Northbrook Odd Fellows in their last game of the season in the Odd Fellows League met defeat, but had bright chances of beating Highland Park but for their crack bowler, Venzil Arquillo who not being in his right position could not hit the pins for over 117 in his last attempt, which might have won the last game but for only 10 pins.

However Glenview will receive a return match next Thursday evening at Wilmette Alleys to try and square accounts.

Watch for the coming match between the Odd Fellows and Freddie Smashers. Freddie Smashers are willing to meet all comers. Phone 92 Northbrook.

Don't forget the coming election, with so many good men on the ballot there ought to be a heavy election. Mr. Alfred Roehr, for Constable; Wm. Freeze and Wm. Landwehr for Assessor and R. Lauer, H. Tagtmeier and J. Kortman for Collector—makes it worth taking notice.

Miss Gottschack sent a box of candy to both, Mrs. Ed. Delors, Chief of Police wife, and to Mrs. W. Gehrke.

Judge Gehrke's wife, to acknowledge with many thanks for the kindness shown to her brother, the lawyer, who had wandered away, and was taken care of by the Chief of Police.

Max Kramer of Chicago, visited his home folks over Sunday.

Mrs. Emig spent Friday with Mrs. Lois Delor.

Mr. and Mrs. J. H. Lennsman and daughter, had Sunday dinner with Mr. Lennsman's folks at Wilmette.

Mr. and Mrs. Mattie Smith and Mr. W. Boden had Sunday dinner with the Wallsch family.

Mrs. Fellows, teacher of 5th and 6th grades, has not been well enough to teach school these past few days, and the children have had a vacation.

Frank Wagner and son Martin, visited grandma Schopen at Wilmette last Sunday.

Miss Rhodes, Mrs. Bartelme's former nurse and Mrs. Blum of Chicago, Mrs. Raab, Mrs. Frank Meier and Mrs. Henry Therrien had a pleasant visit with Mrs. Emily Bartelme last Thursday afternoon. Mrs. Bartelme is improving every day, we are glad to report.

Mrs. H. Dehne and Mrs. C. A. Spatte were Chicago visitors last week.

Miss Alice Dettman was out to visit her folks over the week end.

Miss Florence Freeze who had been very sick, is much better again, we are glad to report.

Several of the ladies of the St. Peter's Evang. church went to Bensenville last week Wednesday, to help remodel and alter some old fashioned garments. The ladies who went were: Mrs. Wm. Landwehr, Mrs. John Werhane, Jr., Mrs. Emil Meintzer, Mrs. A. Rugen, Mrs. Fred Rugen, Mrs. Ford, Rugen, and Miss L. Rugen. A very pleasant day was spent.

Mr. and Mrs. Henry Glos had Sunday dinner with their daughter, Mrs. Jack Notz, and enjoyed their new radio.

Miss Clara Mitchell, formerly of Northbrook visited the W. Werhane family, with Mr. Mitchell's "Kennel Mon," one day last week.

Mrs. Anter, of Highland Park, visited her sister, Mrs. Henry Kiest last Friday.

Miss Maria Gerrard, of Chicago, spent a few days with Mrs. Ella Werhane, before Miss Gerrard went back to Canada.

Don't forget the good movie at St. Norbert's church, March 30. An eight reel film, "The Village Blacksmith," a very good picture. Everybody welcome.

The Meierhoff homestead has been bot by Mr. De Mo, of Chicago, who is remodeling the place, and will make an exquisite mansion.

Mr. C. Verplanck bot three lots of Mr. Lies, on Centre Street, and expects to build in the near future.

Mrs. Laura Urban celebrated her birthday last Friday, March 14, with ten guests, who partook of a most delicious lunch, with birthday cake and all the rest of the trimmings. Those present were, Mrs. John Urban and Mrs. Adams of Chicago, and Mrs. Thormeyer, Mrs. R. Landwehr, Miss Mary Secklar, Mrs. John Hasse, Mrs. John Secklar, Sr., and Mrs. John Secklar, Jr. and Mrs. Geo. Landwehr. The hostess received many beautiful presents also a very beautiful player-piano from her husband. A most happy afternoon was had by all.

A number of young folks from Highland Park surprised our telephone operator, Miss Hazel Werhane last Sunday evening, March 23. The young folks danced and then had a most delicious luncheon.

Mrs. Robert Landwehr had a birthday party for her son, Robert, and invited several ladies to help him celebrate his first birthday anniversary, Friday, March 21. The guests were, Mrs. E. Urban, Mrs. A. Secklar, Mrs. Minnie Werhane, Mrs. Minnie Willert, Mrs. Fred Malhack, Mrs. Alfred Peters who all brought cakes, angel food, sunshine, sponge cake and many other kinds, each one different, ten in all. Buncos was played; Mrs. Eberlien and Mrs. G. Peters winning first prizes and Mrs. E. Urban and Mrs. F. Malhack received "booby" prizes. A most delicious luncheon was served and everybody had a very good time.

Mr. and Mrs. Elmer Moore and children visited the Frank Meier family last Sunday.

Mrs. R. Landwehr's father, Mr. Peterson of Chicago, who has been very sick, is much better again.

Mrs. Joe Kortman visited Mrs. Alexia at the hospital last week.

Mrs. Henry Kiest and Mrs. Fred Rickwarth, visited Mr. Batek's green houses on Dundee Road, and report a most wonderful display of lilies and other kinds of beautiful flowers for Easter.

Mrs. R. Alexia was the happy recipient of a beautiful bouquet of flowers from Northbrook Camp, 7618, R. N. A. brot to her thru the kindness of Neighbor, A. Nielsen. Mrs. Adam Weber also visited Mrs. Alexia the same day last week.

Mrs. Emily Therrien, President of Parent-Teachers Association, and Mrs. Dorothy Senick, Treas. of P. T. A., attended the school directors' meeting held March 25 at the school house.

It is reported that Miss Julia Hebal of Chicago, is engaged to Mr. Levere Devenie.

The R. N. A. had their regular meeting last Tuesday evening, March 25, with 19 members present. Every body had a good time.

Mrs. Irma Gries entertained Miss Alice Eberlien at Sunday supper after which they "listened" to the Chicago Evening Club, over the radio.

Mr. and Mrs. Elmer Moore and family were Sunday guests at the Frank Meier home.

Mrs. Thelma Gartner had Mrs. Edw. Gries for a caller last Wednesday afternoon.

A large mass meeting was held at A. Batek's home last Tuesday evening for the purpose of discussing the paved streets.

Freddie Smashers of Northbrook met and defeated Glenview last Thursday evening at the Highland Park alleys. Nielsen and Roehr bowled high game of the evening with 202, 203, and 222.

Emig with his snake ball fell down in the last two games, but Oh, Boy! you should see that ball of his.

Luhnrow who was slow in getting started in the first game came thru in the 2nd game but to his sorrow, he hurt his ankle in the last game which threw him off again.

Stutman bowled consistently all evening after trying hard to do better but the breaks were against him.

However, Glenview will receive a return match next Thursday evening at Wilmette alleys to try and square accounts. Watch for the coming match between the Odd Fellows and Freddie Smashers. Freddie Smashers are willing to meet all comers. Phone Northbrook 92.

The Milk Pictures were splendidly appreciated by the P. T. A. Bowman Dairy Co. is to be congratulated on this fine health work.

EFFICIENT — ECONOMICAL

BUSINESS ADMINISTRATION

A Man For a Business Office re-elect

JOSEPH F. HAAS

Republican Candidate for RECORDER OF DEEDS

Primary, Tuesday, April 8th, 1924

Polls Open from 6 A. M. to 5 P. M.

The watchword of the entire life of Joseph F. Haas has been service to the ripe experience, his mature judgment, his unquestioned integrity and his real ability have made his record one of tried and proved efficiency.

As State Senator he was the father of the first Forest Preserve Act ever passed by the Legislature and also of the Municipal Court Act. In fact he secured for the people more important Chicago legislation than any man who ever sat in the State Senate.

Since 1919, when he was elected to his present position as Recorder of Deeds and Registrar of Titles, the efficiency he has introduced in both the Recorder's office and Torren's office has been everywhere recognized.

In December, 1923, J. L. Jacobs, Efficiency Expert appointed by the County Board of Cook County, reported to the Judges of the Circuit Court of Cook County that the Recorder's office was being administered on a high degree of efficiency, and that the Recorder of Deeds and his department heads and the personnel deserve commendation for the efficient management of the office.

The results of that efficiency show in actual profits made for the people of Cook County. During the year 1923 Joseph F. Haas, as Recorder of Deeds and Registrar of Titles, handled more than half a million documents, not only without loss but with a profit of over one hundred thousand dollars to the people of Cook County.

That profit means the decreasing of general taxes. A decrease of general taxes will mean decreased rents. Owners and tenants alike owe it to themselves to re-elect Joseph F. Haas as Recorder of Deeds of Cook County.

His Name appears second on the Republican ballot under Recorder of Deeds. His Record is First in Efficiency.

Vote for Joseph F. Haas On His Record.

STATE OF ILLINOIS ss.

COUNTY OF COOK.

Whereas, stockholders owning more than two thirds of all of the capital stock of Peter & Volz Co., a corporation organized under the laws of the state of Illinois, desire to abandon the corporate enterprise, surrender its charter, franchise and corporate name and dissolve said corporation, and

Whereas, the Board of Directors of said Corporation have decided to submit the question of such a dissolution to a vote of the stockholders of said corporation,

Now, therefore, public notice is hereby given that a special meeting of the stockholders of the said Peter & Volz Co., an Illinois Corporation, will be held at the office of the company, Sigwart and Western Street, Arlington Heights, Cook County, Illinois, on Saturday, the 19th day of April, A. D. 1924, at the hour of 2 o'clock P. M., for the purpose of considering the question of the dissolution of said corporation, the abandonment of the corporate enterprise, the surrender of its charter, franchise and corporate name, and for the consideration of any other business that may properly come before said meeting:

Dated: Arlington Heights, Illinois, March 28th, A. D. 1924.

GEORGE E. VOLZ, A. F. VOLZ, GEORGE LEXFORD VOLZ, All of the Directors of Peter & Volz Co.

VOTE FOR CHARLES KRUTCOFF

Republican Candidate For MEMBER BOARD OF ASSESSORS

Primary April 8th. A Man of Over 25 Year's Actual Experience In This Office.

Mr. Charles Krutcoff was born in Chicago, November 1st, 1871. He is a graduate of the Chicago Grammar and High Schools and has had a two year business course. He is married and has two children.

Mr. Krutcoff was one of the first employees of the County Assessor's office. In 1905 he was promoted to Chief Clerk, which position he held until 1918 when he was elected as a member of the Board of Assessors.

He is a member of the Hamilton Club, South Shore Country Club, Illinois Athletic Club, Chicago Automobile Club.

Mr. Krutcoff's long service with the Board of Assessors eminently fits him for re-election.

Evergreen Sheds Leaf.

Some are of the opinion that evergreen trees carry the same crop of leaves throughout their entire life, says Nature Magazine. This is not correct; for evergreen trees develop successive new crops of leaves and shed them regularly, but they are not completely devoid of foliage at regular periods of each year.

GLENVIEW

Mrs. E. Commack, of Waukegan road, Techny, visited Glenview friends Saturday.

Miss Pauline Brock, of Forest Glen visited Glenview Sunday.

William Noffz, of Oconto, is assisting his brother, John, during his spring vacation.

Mr. and Mrs. G. E. Alvord spent Sunday with Dr. and Mrs. Langsdale in Chicago.

Mr. O. E. Spencer returned from a trip to Minnesota, where he preached a trial sermon. While his Glenview friends, Mrs. Chas. Palmgren continues to send messages and reports of delightful weather at Palm Beach expressing a wish that Glenview friends were with her. They also wish that they could leave behind this extraordinary Illinois weather, March 25 with O'Leary's promise of a four inch fall of snow before April 1.

The old baseball field on Waukegan Road has finally been cleared. Stockholders never cease to regret that measures were not taken early enough to secure permanently that ideal location. The preparation of the new field at Lake Ave. and Waukegan road, will take the early part of the season, which will necessitate the traveling of our team away until midsummer at least. Arrangements are being made for an early organization of the team so that good games will be scheduled. Report has it that Stock is willing to return to the box provided his price can be met.

Henry Geissler, of Evanston, who spent several months on business in California and Mexico, visited Glenview friends Sunday. While in the west he visited at George Hoffman's in Oakland. Mr. Geissler reports a visit to Hollywood and says that the finest theatres of the California cities can not surpass our own Chicago and that the programs of the finest houses do not equal those of the Riviera.

The Royal Neighbors held their bi-monthly meeting in the lodge rooms March 20. The members present were

entertained after the business meeting at a dainty evening lunch by Mrs. Marie Carn, who took that occasion to celebrate her birthday.

GLENVIEW SCHOOL NOTES

The Glenview Achievement Club will start a piano fund with the surplus proceeds of their St. Patrick's Party. The new history maps purchased by the club are greatly appreciated.

The coming spelling contest is the all absorbing interest at present. The contest will be held at Northbrook Friday, April 11. Glenview will have 8 representatives which makes the contest a stiff one. Leading in hundreds in this class up to date are: Elizabeth VanSteenberg and Gladys Wallbaum.

"Corn Is King," will live in the minds of delegates to the institute. We regret we have no suitable school hall where that demonstration might be given for home gardeners.

The luncheon party of Glenview delegates and their friends at Mandel Bros., following the morning session of the institute was much appreciated by the children and ladies.

We understand that the early edition of the Sunday Tribune had pictures of some of our group.

Glenview students in the freshmen sewing class are completing their first dresses, much to their delight. New Tricot, however, should not take all the credit when we remember our girls' graduation outfits fashioned under the guidance of Miss Christman last June.

The two higher rooms had a holiday on convention day, representatives and teachers of both rooms attending at Fullerton Hall.

GLENVIEW M. E. CHURCH

Don't forget the special treat in store for Sunday evening, Dr. I. G. Whitechurch of Garrett Biblical Institute is to be the speaker. He is a young man of unusual ability and has a real worthwhile message for his hearers.

The Epworth League is in charge of

Mrs. Bert Gould. Topic: "Christ Fulfilling His Father's Commission In His Works." These Epworth League meetings are always full of interest for both young and old and if our readers wish to spend an hour full of real instruction and pleasure the League is the service to attend.

About 25 ladies enjoyed the Aid held with Mrs. John Hood last week. At this meeting it was decided to hold a contest to begin March 24 and to run six weeks. Each member wishing to enter the contest donates 25 cents as a starter and then makes her quarter grow by the production and sale of some specialty. Contestants will take bread, rolls, doughnuts, coffee cake, angel food, devil's food, cakes and various other articles of cookery and some will sew garments according to orders. One will curl hair, another will care for children. The secretary of the Aid, Mrs. Fred A. Rugen will keep a list of the contestants and their specialty. Those wishing to patronize the ladies may der. The contest will close with a party for all contestants and a prize will be given the lady producing the most money with her original quarter.

Smallest State.

The smallest independent state is Monaco, area approximately eight square miles, bounded by the Mediterranean and the French department of Alpes-Maritimes. The principality practically consists of the capital, Monaco, Monte Carlo, and the village of Condamine.

Hardly Ever.

A strenuous young man who declares his willingness to shed his last drop of blood for a girl is never in a hurry to shed the first drop.

Why Words Were Invented.

Because our intentions cannot be made out if we be silent, words have been invented, not to be a curb but to point them out.

VILLAGE ELECTION
NOTICE IS HEREBY GIVEN that on Tuesday, the 15th day of April next, at the Village Hall in the Village of Palatine in the County of Cook, and State of Illinois, an Election will be held for the following Village Officers, viz:
Three Village Trustees.
One Village Clerk.
One Police Magistrate.
Which Election will be opened at 6 o'clock in the morning, and will continue open until 4 o'clock in afternoon of the same day.
Given under my hand at Palatine, Ill., the 25th day of March, A. D. 1924.
T. C. HART, Village Clerk.

PALATINE

Mr. and Mrs. Wm. Landmann spent Saturday and Sunday with friends in Madison, Wis.

Mrs. Frank Zelsdorf of McHenry, daughter-in-law of Mr. and Mrs. Anthony Zelsdorf passed away in a city hospital Tuesday morning.

The John Witt family are speedily packing up to move back to the farm.

The regular monthly meeting of the W. F. M. S. will be held Wednesday, April 2, at the home of Mrs. R. M. Gibbs; Miss Pinney, leader. We are looking forward to a visit from Mrs. Best, our branch secretary on that day.

Mr. and Mrs. Roy Born and daughter had dinner Saturday evening with Mr. and Mrs. Rexford Volz, at Arlington Heights.

FOR SALE—6 room Colonial bungalow in best residence section of Palatine. An opportunity for right party. H. S. Heise, Palatine, Ill.

Miss Mercie Heise was home from her school duties over Saturday.

Mrs. Lucy Flake has been quite sick, but is improving at this time.

The members of Sutherland W. R. C. report a most delightful St. Patrick's party at their meeting last Friday evening. Many were in costume, and there were some "Pats" among them. The entire company entered into the spirit of the day. Decorations, were very unusual and gave truly Irish air to the rooms. The tables and refreshments were appropriate to the occasion—and it was one of the best parties that Sutherland corps ever had, say those who were present.

Wm. Toppel has a new Ford coupe. Mrs. Dollinger returned from Detroit where she has been taking care of a sick friend.

Mrs. Ed. Converse is here breaking up, preparing to move.

Mrs. Henry A. Pohlman is ill.

Priscilla Heise and Francis Daniels are home for their spring vacation from Cornell College.

Miss Mercie Heise spent the week end at home.

Elmer Behrens is in Palatine hospital for operation on appendicitis.

Born, to Mr. and Mrs. Theo. Sternberg a baby son.

Mrs. Herman Pahlman is sick with the grippe.

Parents should warn the children against crossing ahead of trains.

Two first grade boys

Recently, two first grade boys crossed in front of a freight train and had a narrow escape of being hit.

The Epworth League desires to express its sincere thanks to everyone who helped make the Cornell College concert possible.

Without the cooperation of all, the concert could not have been given. It is your success.

Many blunders were made by the committee in regard to providing entertainment for the players. The league wishes to express its deepest regret for all of these and at the same time its appreciation of the way in which people went ahead anyway.

For a group of young people the handling of such a concert is no slight matter and we hope you will appreciate the difficulties and so to an extent pardon our errors.

We offer the concert itself as our only compensation.

Should we ever have the opportunity again we believe we would do better.

Mr. and Mrs. Adolph Kubetz, of Barrington, are the proud parents of a baby girl, born Sunday, March 16, at the home of Mrs. Kubetz's parents, on their farm in Palatine. Mrs. Kubetz and children have been here since Feb. 17. Both she and baby are doing fine. The Kubetzes are newcomers in Barrington.

Mrs. Henry Langrehr has been ill.

"Keep Out of Palatine" is the warning that has been broadcast among the autoists.

Chicago avenue mud is bad enough, but Wood street is so much worse that stalled autos are an every hour occurrence.

Many cars got stuck Sunday and Thursday afternoon conditions were very much worse. Even the "wrecker" became "wrecked." This is only a taste of what we can expect the balance of the year with the roads torn up for both sewers and paving.

Mr. and Mrs. Weseman would be parents after Roosevelt's own heart.

They had six children last week and now there are eight. The new comers are twins. They are receiving the congratulations of friends.

We have a rule that items handed in must be signed so that we may know that they are authentic.

This week we received an announcement of the engagement of one of the Palatine young ladies. The letter was unsigned.

Friends of the young lady say they have not heard of the event, so we are omitting its publication. We

are always glad to get news items, but ask that they be signed so that we may be sure that they are true.

We will receive a carload of seed potatoes Tuesday; Early Ohio and Irish cobs. Bruhs & Brockman.

We still have several sacks of eating potatoes left. Ask anyone who bought any of these as to their quality.

A joint meeting of the Woman's Auxilliary and American Legion will be held April 7.

The home of Mr. and Mrs. John Meyer was the scene of a pretty celebration Sunday, March 23, as on this their wedding anniversary it was twenty five years since they were united in the bonds of matrimony near Long Grove.

The nuptial knot having been tied by the Rev. Starck then of Long Grove. The celebration was arranged by Mrs. Platt, an aunt of Mr. Meyer.

In the midst of their girls and other relatives and a few friends. The bride was adorned with a silver wreath and the groom with a like button hole bouquet, and after a short address, scripture after the blessing of the true God was again invoked upon this couple who for twenty-five years faithfully walked hand in hand. It was the wish of all present that Mr. and Mrs. Meyer could long continue to share their burdens and blessings and that they might save the silver wreath and paint it in gold.

PALATINE FLORAL COMPANY IS A BUSY INSTITUTION

What is Palatine famous for? Anyone familiar with the floral business in Chicago, does not take long to answer, "Why, that's the town that the real sweet peas come from."

And that is the right answer and all our citizens should be ready to extol to strangers the quality of Palatine's sweet peas. The advent of the Palatine Floral company with only one greenhouse yet in operation has already given Palatine the distinction of producing the best sweet peas to be found upon the Chicago floral market. Hugh Aspinwall, the producer of these peas is general manager of the Palatine Floral company and there is not a busier man in Palatine.

The Palatine sweet peas do not just grow because they are planted upon a florist's bench in a modern greenhouse. "The take a lot of care and attention," says Aspinwall. But he feels well repaid by the results and each bunch sent to the city market is identified by a little label bearing the words, "Palatine Sweet Peas."

The green house that was erected by this local company last year is raising other things than sweet peas. Easter lilies are there in profusion. The chrysanthemums for next Thanksgiving time are showing signs of life and there are any number of

other flowers. Over an acre of outside plants will be set out when the ground is warm enough.

This greenhouse is strictly modern possessing many new features not found in the usual run of greenhouses. The heating plant is operated automatically and in case that the plant fails, either allowing the temperature to become hot or too cold, an electric alarm sounds a warning that Mr. Aspinwall can hear in his residence.

The boiler is so arranged that its capacity can be easily increased, which will be necessary before another winter as the company plans to erect a second house this summer.

Palatine has two greenhouse firms and is able to handle any floral orders that local people may desire. They both deserve our patronage—in other words, do your floral buying at home.

Walter M. Provine

FOR
Attorney General

WHY?

Because:—

1. PROVINE ranks high as an Attorney, having been actively engaged in successful legal practice for over a quarter of a century.
2. PROVINE has been tried and found true. During his 15 years of Public Life he has made a reputation for the highest integrity, honor and efficient service.
3. PROVINE will safeguard the interests of the Farmer. He is a farm owner.
4. PROVINE can unite the Party. He has no enemies to destroy and no favorites to reward. He will enforce the Laws.
5. PROVINE will bring new blood to the State Administration.

AS A REPUBLICAN—Do you sanction the destruction of your Party in Illinois through the madness of a few Factional Leaders?

Answer no by voting for

The Power of Personality

WE often hear that the success of some man is due to his personality. This quality is hard to define in words, but we know that those who possess it have the gift of impressing or persuading others.

In salesmanship it is a most valuable asset. The long-distance telephone gives the salesman the power to use his voice and thereby retain the effect of his personality which might be lost by the use of other methods of communication.

If the salesman's voice is strong and cheerful and full of earnestness, it is his best advocate.

"Station-to-station" long distance calls mean almost every requirement and the day rates are about 20% lower than for "person-to-person" calls. Evening rates are about 50% and night rates about 75% lower than day rates for "station-to-station" calls, but no rate is reduced below 25 cents. Consult the telephone directory for further details or call "Long Distance."
